

The Welcome Reception the evening prior to the Job Fair is a nice ending to a long day of company presentations for the candidates. This lovely mixer presents employers and job seekers an opportunity to meet informally before the job fair. Enjoy butler passed hors d'oeuvres, appetizer buffet, soft drinks, beer and wine in a relaxed setting. We host the Reception inside the Ballroom among the Company Booths, so feel free to display your banners and materials for candidates to observe. Save the swag for the job fair! **The Welcome Reception is 6:30-7:30pm**
